Montreal, June 6, 2014 – Once again, in 2014, TC Transcontinental (TSX: TCL.A, TCL.B, TCL.PR.D) is listed as one of the Best 50 Corporate Citizens in Canada on the highly regarded annual ranking by independent Canadian media company Corporate Knights.

The aim of the Corporate Knights top 50, now in its 13th year, is to measure the social, environmental and governance performance of the companies evaluated. TC Transcontinental has appeared regularly on the list over the years and it is with great pride that in 2014 the Corporation holds the 41st position.

“As a Canadian leader in the print and media industry, TC Transcontinental strives every day to implement best practices in sustainability from a social, environmental and community perspective,” said President and Chief Executive Officer, François Olivier. “This approach is directly connected with our vision for growth. Given this, for our 2013-2015 plan, we identified three pillars to help guide our strategic roadmap: the environment, employees and community. The plan is aligned with our corporate strategy and is aimed at supporting our operational goals. We are pleased that Corporate Knights recognizes TC Transcontinental as a socially responsible company; one that is committed and proud of it.”
